

Clinical Immersion

Minimally invasive right hemicolectomy with CME

Magdeburg University Hospital
Prof. Dr. Roland Croner

Event location

**Klinik für Allgemein-, Viszeral-, Gefäß-
und Transplantationschirurgie,
Universitätsklinikum Magdeburg**
Leipziger Str. 44,
39120 Magdeburg

Introduction of the clinic

Speakers

On site:

Prof. Dr. Roland Croner

Prof. Dr. Aristotelis Perrakis

Dr. Sara Al-Madhi

Dr. Mihailo Andric

Per Livestream:

Prof. Dr. Claus Anders
Bertelsen, Dänemark

Dr. Danilo Miskovic, UK

Prof. Dr. Thilo Wedel, Kiel

Complete mesocolic excision (CME) has changed the treatment of colon cancer in a lasting way. Although CME is well established nationally and internationally, the method is not without controversy. An exact knowledge of the anatomy with possible variations is essential to avoid intraoperative problems and to ensure a correct performance of CME. Based on the current evidence, the understanding of this technique can be deepened.

We have had the privilege of accompanying the development of CME and therefore know its surgical history as well as the rationale behind it. Today, CME is a firmly anchored component of our clinic and the integrated DKG-certified colorectal cancer centre. We use minimally invasive procedures for our operations by means of conventional laparoscopy or robotic assistance.

You are cordially invited to join us for CME. In discourse with national and international experts, we will explain the anatomical principles, surgical options and the underlying evidence.

We look forward to seeing you!

Prof. Dr. Dr. h.c. Roland Croner

4th March 2024

Until 12.00	Individual arrival	
12:00	Welcome	Prof. Croner
12.15	History of the CME	Prof. Perrakis
12.45	Anatomical basics (Live Stream)	Prof. Wedel, Kiel
13.30	Preoperative diagnostics, AMIGO strategy (Live Stream)	Dr. Miskovic, London, UK
14.15	Coffee break	
14.30	Rationale of the CME (Live Stream)	Prof. Bertelsen, Hillerød, Denmark
15.15	CME techniques	Prof. Croner
16.00	Video analysis CME	Dr. Al-Madhi
16.45	Pitfalls, Trouble Shooting	Prof. Croner
18:30	Dinner	

5th March 2024

08.30	Recap Day 1	Prof. Croner
08.45	Case presentation	Dr. Andric
09.00	Visiting the operating theatre: laparoscopic CME right hemicolectomy	Prof. Croner/ Dr. Andric Dr. Al-Madhi/ Prof. Perrakis
14.15	End of day 2
